Dear Prospective NAFSC Member,

Welcome to the 2022-2023 membership year! We are so excited to be back in full swing and can't wait for all the great things planned for this coming year. We are honored that you have chosen to apply for membership with NAFSC.

What an exciting 2021-2022 we had! Our Board of Directors, our two dedicated employees, our awesome coaches, and an energized volunteer corp worked tirelessly to revive the club after a longer than anticipated covid slow down. Check out some of the year's highlights:

- We welcomed back the public (at least the ones willing to brave the cold) to our annual Holiday Skate-tacular!
- We ran a highly attended and very successful Snowflake Skate Competition.
- We continued to see our number climb in our Learn-to-Skate USA Program enrollments getting back to numbers equal to 2019-2020!
- We were able to offer virtual and in person test sessions.
- Our consignment boutique is wildly successful.
- We were able to return to our traditional three-show Annual Ice Show! The kids had a blast and we saw record numbers of spectators returning for the excitement.

There are a few changes to this year's membership information and requirements so please read carefully through the packet. Of note, the monthly assessment requirement for Skater (under 18) and Introductory skater memberships will increase to \$90 for 2022-2023 in response to increased ice prices. This is equivalent to five 50-minute freestyle ice sessions and is meant to assist NAFSC so we can continue to provide ice for our skaters.

We learned to see smiles in the eyes of our skaters even behind masks as they bounced in the door for LTS. We watched our skaters' excitement as they were able to get back on the ice for competition and testing. And we celebrated a triumphant return to our annual ice show. We could not have done all this without all of you who have continued to support operations as we navigated another challenging year. Thank you!

We are so excited to see what 2022-2023 brings and we hope you will join us on that journey.

Sincerely,
Caryn Bickerstaff
North Atlantic FSC President

Dual Membership in NAFSC and U.S. Figure Skating

The North Atlantic Figure Skating Club (NAFSC) is a permanent member club of U.S. Figure Skating, the governing organization for the sport. Accordingly, all NAFSC home club members must also be members of U.S. Figure Skating. Each person who applies for home club membership in the NAFSC will also be applying for U.S. Figure Skating membership. Your joint NAFSC/U.S. Figure Skating membership allows you to take U.S. Figure Skating proficiency tests as well as compete/participate in U.S. Figure Skating qualifying competitions, open competitions and other U.S. Figure Skating sanctioned events such as ice shows and exhibitions. A skater may join several U.S. Figure Skating clubs in order to accommodate individual needs, schedules and purposes. However, only one U.S. Figure Skating member club may be designated as a skater's home club and it is this home club which is represented by the skater at all competitions.

The dues for all NAFSC home club members and coaches include the costs of the U.S. Figure Skating membership. Each First in Family U.S. Figure Skating membership includes a subscription to the U.S. Figure Skating's monthly magazine entitled "SKATING".

Members are responsible for being familiar with and adhering to all U.S. Figure Skating rules, all NAFSC rules and policies including the NAFSC Code of Conduct and Disciplinary Procedures, and U.S. Figure Skating SafeSport.

What is U.S. Figure Skating?

U.S. Figure Skating is the governing body for amateur figure skating in the United States and develops and prepares skaters for U.S. qualifying competitions. It was formed in 1921 and had seven original members. Today, U.S. Figure Skating has hundreds of member clubs, such as NAFSC, and thousands of individual members located throughout the United States. NAFSC was granted permanent member club status at U.S. Figure Skating's Governing Council meeting held in May 2000. U.S. Figure Skating is a member of the International Skating Union (ISU), which establishes rules and venues for international competitions such as the World Championships and the Olympics.

Why join NAFSC?

NAFSC is committed to providing a safe and positive environment for its members in a community which fosters the achievement of goals for all through the highest standards of leadership, professionalism, and sportsmanship. In addition to operating freestyle ice, the NAFSC also operates a number of other programs including test sessions, skating clinics, a summer skating/training program, a Learn to Skate USA Program, a CompeteUSA competition (Snowflake Skate), exhibitions, and one major ice show per year. Home club members are eligible for ice show solo and feature programs and to be recognized at qualifying competition send-off events.

(Membership Information Continued)

The NAFSC's home ice rink is Family Ice Center, 20 Hat Trick Drive, Falmouth, Maine. Family Ice Center opened in January 1999, operates on a year-round basis, and has two refrigerated surfaces: a 200' by 85' inside surface and a refrigerated outside pond which is open approximately December to March, depending on weather and temperature conditions.

U.S. Figure Skating Rulebook

The U.S. Figure Skating Rulebook is the official publication for all the association's rules and bylaws. The rulebook can be viewed online at <https://www.usfigureskating.org/> by choosing "About" and then "Rules and Bylaws". It can be downloaded and printed or saved.

IMPORTANT NOTES ABOUT MEMBERSHIP IN NAFSC:

- a. Application/payment is not a guarantee of membership in the NAFSC. The club grants privileges of membership to individuals committed to the NAFSC mission. The privilege of membership may be denied by the membership chair at any time when it is determined that the prospective member's conduct is inconsistent with the mission of the organization or the best interest of the sport and those who participate in it. The prospective member may request a review of the denial by submitting a request in writing to the President of NAFSC within 30 days of the denial. NAFSC has the right to refuse membership to anyone without discrimination as to race, color, religion, age, gender, or national origin.
- b. All membership privileges, including the use of freestyle ice, and U.S. Figure Skating testing and competition privileges, ***will not become active*** until appropriate membership dues have been paid and membership has been approved and processed.
- c. Membership dues in the NAFSC are designed to pay a portion of the operating expenses of the NAFSC. It is anticipated, however, that revenues generated from dues will not completely pay for all expenses. Therefore, members should expect that the club will assess other appropriate fees as necessary as well as request participation in future fundraising.
- d. Members are required to pay their dues/bills in a timely manner. Unpaid dues/bills may result in suspension from all club privileges and ineligibility to participate in tests, competitions, etc. that require members to be "in good standing".
- e. Please review **all** information and documents in the membership packet. ***Everything must be filled out, signed, and returned, along with payment, before membership can be considered.***
- f. NAFSC has the right to suspend, revoke, or terminate any membership for any reason pursuant to its club policies and bylaws.

In consideration of my use of the North Atlantic Figure Skating Club's ("NAFSC") on or off-ice jump harness, I represent that I understand the nature and use of the jump harness and that I am qualified, in good health and in proper physical condition to use the jump harness. I acknowledge that if I believe conditions are unsafe, I will immediately discontinue use of the jump harness.

I fully understand that use of the jump harness involves risks of serious bodily injury, including permanent disability, paralysis and death, which may be caused by my own actions, or inactions, those of others involved in my use of the jump harness, the conditions at which my use of the jump harness takes place, or the negligence of the Releasees; and that there may be other risks either not known to me or not readily foreseeable at this time; and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my use of the jump harness.

I hereby release, discharge, and covenant not to sue NAFSC, Family Ice Center, Town of Falmouth, U.S. Figure Skating, or their directors, officers, administrators, sponsors, volunteers, agents, employees, staff, instructors, trainers, other participants and if applicable, owners and lessors of the premises at which my use of the jump harness takes place (collectively the "Releasees") from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the Releasees or otherwise, including negligent rescue operations; and I further agree that if, despite this release, waiver of liability, and assumption of risk, I, or anyone on my behalf, makes a claim against any of the Releasees, I will indemnify, save, and hold harmless each of the releasees from any loss, liability, damage, or cost which any may incur as the result of such claim.

I have read this Release and Waiver of Liability, Assumption of Risk, and Indemnity Agreement. NORTH ATLANTIC FIGURE SKATING CLUB

Coach Code of Ethics, Standards, and Conduct

Purpose: The North Atlantic Figure Skating Club (NAFSC) is committed to creating a safe and positive environment for members' physical, emotional, and social development and ensuring that it promotes an environment free of misconduct. This information is intended to provide both the general principles and the rules to cover most situations encountered by coaches and instructors. It has, as its primary goal, the welfare and protection of those with whom they work.

It is the individual responsibility of each coach to aspire to the highest possible standards of conduct. Above all, coaches of young people can have great influence on developing athletes who are reliant on them for the basic instruction and guidance. This tremendous power is a privilege and shall not be abused. Therefore, we have set forth these Codes of Ethics and Conduct to guide our coaches and protect our athletes for the mutual benefit of all concerned.

GENERAL PRINCIPLES:

- **COMPETENCE:** Coaches must strive to maintain high standards of excellence in their work. They should recognize their boundaries and limitations of their expertise. They should provide only those services and use only those techniques for which they are qualified by education, training, and/or experience. In those areas where recognized professional standards do not yet exist, coaches must exercise careful judgment and take appropriate precautions to protect the welfare of those with whom they work. They shall maintain knowledge and information related to the services they render, recognize the need for ongoing education, and make appropriate use of all available resources.
- **INTEGRITY:** Coaches should seek to promote integrity in their coaching profession. Coaches should always be honest, fair, and respectful of others. They must not make representations about their qualifications, services, products, or fees that are false, misleading, or deceptive. Coaches should strive to be aware of their own belief systems, values, needs, and limitations and the effect of these on their work. To the extent feasible, they should attempt to clarify for relevant parties, the roles they are performing and to function appropriately in accordance with those roles. Coaches must avoid conflicts of interest.
- **PROFESSIONAL RESPONSIBILITY:** Coaches must uphold professional standards of conduct, clarify their roles and obligations, accept appropriate responsibility for their behavior, and adapt their methods to the needs of different athletes. Coaches should consult with, refer to, or cooperate with other professionals and institutions to the extent needed to serve the best interest of their athletes, or other recipients of their services. Coaches should be concerned about the ethical compliance of their colleagues' conduct. When appropriate, they should consult with their colleagues to prevent or avoid unethical conduct.
- **RESPECT FOR PARTICIPANTS AND DIGNITY:** Coaches shall respect the fundamental rights, dignity, and worth of all participants. Coaches must be aware of cultural, individual and role differences, including those due to age, gender, race, ethnicity, national origin, religion, sexual orientation, disability, language, and socioeconomic status. Coaches must eliminate the effect on their work of biases based on those factors and must not knowingly participate in or condone unfair discriminatory practices.

- **CONCERN FOR THE WELFARE OF OTHERS:** Coaches must consider the welfare and rights of their athletes and other participants. When conflicts occur among coaches' obligations or concerns, they should attempt to resolve these conflicts and to perform their roles in a responsible fashion that avoids or minimizes harm. Coaches shall be sensitive to differences in power between themselves and others and should not exploit nor mislead other people during or after their relationship.
- **RESPONSIBLE COACHING:** Coaches must be aware of their ethical responsibility to the community in which they work and live. They must comply with the law and encourage the development of law and policies that serve the interest of sport or activity. The coach shall strive to serve as a leader and model in the development of appropriate conduct for the athlete both within and beyond the U.S. Figure Skating setting. They shall strive to use strategies in practice and competition that are designed to encourage play within the letter and spirit of the rules. They shall strive to keep the concepts of winning and losing in proper perspective. The coach shall strive to enforce policies and rules with fairness, consistency, and an appreciation for individual differences.

ETHICAL STANDARDS:

- **COMPLIANCE WITH RULE REQUIREMENTS:** All coaches must complete all annual coaching member requirements set forth by U.S. Figure Skating Rules and the PSA that apply to them by the appropriate deadlines.
- **COMPETENCE:** Coaches should not undertake these duties until they have first obtained the proper training, study, and advice that they are competent to do so.
- **MAINTAINING EXPERTISE:** Coaches should maintain a level of expertise through continued education and experience and shall strive to acquire additional education and experience through sources available to them.
- **RESPECTING OTHERS:** Coaches shall respect the rights of other's values, opinions, and beliefs even if they differ from their own.
- **NONDISCRIMINATION:** Coaches must not engage in discrimination based upon age, gender, race, ethnicity, national origin, religion, sexual orientation, disability, language, socioeconomic status, or any other basis as protected by applicable law.
- **MISCONDUCT:** Coaches must not, under any circumstances, engage in any form of misconduct and will respond to complaints of such a nature to respondents with dignity and respect.
- **PERSONAL PROBLEMS OR CONFLICTS:** Coaches should have a responsibility to be aware if there are personal problems or conflicts which may affect their ability to work with athletes. They should also be able to identify problems affecting their athletes, which could potentially create situations that place their athletes in harm or danger of injury and take the appropriate steps to remove the athlete from this environment.

Any person who makes groundless allegations or complaints of abuse or harassment may be subject to disciplinary action per Article XXV, Section 3B, of the U.S. Figure Skating bylaws.

COACH CODE OF CONDUCT:

- Must obey and abide by all policies and protocols set forth by the NAFSC Board of Directors, the PSA Tenets of Professionalism and Code of Ethics, and all rules, regulations, and procedures of U.S. Figure Skating and U.S. Figure Skating SafeSport.
- Shall maintain exemplary standards of personal conduct.
- Must obey all state, national, and international laws.
- May not be under the effects of alcohol, illegal drugs, or any substance that can affect athlete safety and coaching judgment.
- Must refrain from using any profane or abusive language.
- Must not engage in any type of misconduct with any athlete.
- Must teach and support the athletes fairly and equitably.
- Must never discriminate against any athlete.

I understand that as a U.S. Figure Skating member coach and a coach at NAFSC, I set the tone and am always held to a professional standard of behavior. I have assumed certain responsibilities to prepare, develop, and be an advocate and role model. I will strive to help provide and support a foundation of positive future growth of the club and I will work to create and foster the best environment possible.

I agree to the Coach Code of Conduct, have read the Coach Code of Conduct, and understand what is expected of me.
